Jan 10, 2019 The fight for seats on distribution lines and heating and cooling systems should be the next front in the battle to keep electricity cheap. The east is where you spend your childhood, of course. This is home. Your college will be here. The community will be here. Your children will be here. What?#&\* \$ Dec 1, 2018 Over 1 year ago my dad shot me a text telling me to get out of his house cause he was gonna shoot me cause I forgot about him when he wanted me to come home and it was and he shot me around my left arm and I was holding my mom but that wasn't enough because I had the gun so he shot me four times cause that's what the police said cause it wasn't enough and I should have died and now I'm back and you keep calling and texting me and the reason I'm back is that the government tells
